

Diamond Manager

Diamond is back!!! We are happy to have a person with strong work ethics managing our team. Thanks for all your help and hard work.

Yes ! Diamond is back into the music business. She is one of the best managers we have ever worked with. Now that she is on the team, the The World's Largest Rap Contest is sure to be a success. Diamond and Mike worked together with many recording artist at MC Sounds. Diamond keeps up with the Administration, Productions, Artist Development, Vocal Arrangements and Photograpy...Definitely a "Jack Of All Trades!" She works hard at getting the best deals for a recording artist. Diamond is there to make sure everything goes well, so her artist will leave the best impression possible. Diamond always says "You'll never know who's watching ,so always put your best foot forward"!
